AT THE MARYLAND AUTO SHOW

By Ken

The Maryland Auto Show, at the Baltimore Civic Center, was back this year. As a Chesapeake Region member, I provided my 1997 Ford Thunderbird for the Region's exhibit. In past years I've displayed my 1952 Customline and my 1950 F-1 Pickup.

THE FEBRUARY MEETING

Why does everybody look sooo unhappy?

THE PRESIDENT'S MESSAGE

Dear Members:

Spring is here? It hasn't felt like spring the last few days, but the days are getting longer, and we will get to drive our "mature" cars soon.

Now that Daylight Savings Time is here, and it stays light longer, the club agreed to move the General Membership Meetings from lunch time to dinner meetings. We will still meet at the Easton Elks Club, but we will dine at 5:00 pm and begin the meeting at 6:00 pm. We will continue with evening meetings until fall, when we will revisit the timing.

Andy Wilhelm is arranging the April Lunch Bunch, at the Denton Diner at 1:00 pm on April 14th. Those caravanning from Easton will depart from Hyde Park at 12:20 pm. Others can meet at the diner at 1:00 pm. Andy has sent me an email that I have forwarded to the members. Please respond to Andy.

Charles Emery is planning the May Lunch Bunch at Abbott's on the Creek in Laurel, Delaware. Details will come later.

Ken and Sally have engaged the caterer for the June 25th Picnic. The caterer is charging \$18, but the club agreed to \$20 per person to cover other costs, with the club paying anything over that. Hopefully we will have a strong turnout. You need to let Ken or Sally know if you are coming at least one week ahead (by June 18th) so they can give the caterer a head count. Send your check to Betty at 44 Algonquin Rd., Cambridge, Md. 21613 (it's in the roster!).

That gets us to summer break. There are no meetings planned in July or August, but we still need Lunch Bunch planners for these summer months. I hope someone will step up to take July and August so we can continue to gather.

The fall overnight trip is on hold for now. At the March meeting the members expressed interest in going to Pennsylvania rather than Cape May. The Cape May idea is not scrapped. We are just considering alternative locations. At the April Board meeting other ideas came up. No action was taken as they were just suggestions with no research or hard plans. At least we are thinking about doing something! Hopefully someone will come forth, and plans will firm up over the summer.

Members have commented that we have moved away from providing help and advice to fellow members about issues with their cars and become a social club only. I was pleased that recently two members have asked me about issues with their cars. Fortunately, I have experience with and knowledge about both of those cars. Hopefully I can help them. I expect other members would gladly lend a hand to fellow club members needing help, if called upon. It is good to know that we have members who actively work on their cars, but what we really need is a tech advisor. The position has been vacant since Carl Gardella gave it up.

See you at the April Lunch Bunch!

Sincerely,

Ed Nabb

THE BAY COUNTRY REGION, AACA

The purpose of the club shall be the preservation, use, and enjoyment of self-propelled antique, classic, and special interest vehicles and related parts, materials, and services. The Board of Directors of the Region shall meet on the first Tuesday of each month, unless otherwise specified. Membership meetings are scheduled for the third Wednesday of each month, except July and August. Meeting announcements will be carried each month in the newsletter. **Articles for the newsletter are welcomed and members are encouraged to submit news** about personal interest items to the editor by the 20th of each month.

ITEMS FOR THE DISTRIBUTOR should be submitted by the 20th of the month. Submissions from members are greatly appreciated. Tell us about, or show us, your cars (and trucks) and what you are doing with them. If you're planning an event, here's the place to describe it.

Electronic submissions are preferred. Having avoided learning how to type all these years, the Editor doesn't want to have to learn now. On the other hand, photos and illustrations can be scanned, with no typing necessary, so send anything that you would like the membership to see.
