OUR SUMMER PICNIC

(More photos are on Page 5.)

We had nearly 30 in attendance for the 8th consecutive picnic to be held at Ken & Sally's. An extra special guest was Neil and Carol Grant's new grandson!

There were eight old cars on the field, but this is a bit tempered by the fact that Ken & Sally supplied three of them. Given the heat, a low turnout of antiques is to be inspected, due to the likely lack of air conditioning. One of the cars was a newly restored 1956 Corvette, which belongs to Ken's former boss, Winn Frank, and his wife, Barbara. It had belonged to Winn's sister, in southern California. When she decided to dispose of it, he had it shipped to Maine, where Barbara's brother was in the business of restoring Corvettes. The Chevy aficionados were impressed.

Andy and Diane Garey, of Choptank Catering, supplied delicious pit-cooked pork and Barbeque chicken, with a variety of sides and a vegetable tray. It made for a successful day!

LUNCH AT PALM BEACH WILLIES

By Lee Caplan

Thanks to Craig and Nan Duerling for arranging our July 11th (Waterfront) Lunch Bunch outing at Palm Beach Willies, on Taylors Island.

Our attendees came from far and wide across the Maryland Eastern Shore, and well beyond. For this particular get-together, member Michael Murray introduced us to AACA guests from Fresno, California, who were in our part of the country for the next week's 2019 Pontiac-Oakland Club International Convention, at Gettysburg, Pennsylvania, July 16-21.

Member Max Avery told us about the 46th Annual Steam & Gas Engine Show, put on by the Tuckahoe Steam and Gas Association, on their 70 acre spread, five miles north of Easton, Maryland (our home town). The Association describes their event as a huge family style affair, with engaging displays, crafts, an auction, horses, demonstrations, parades, vendors, and great Fair food! [We hope that everybody who attended had a good time!-Editor]

Thanks for a great day of food, fun and fellowship!

REMEMBERING BILL HUBER

We lost our friend, Bill Huber, on July 10th. He was 83. Bill and his wife, Norma, were long time members of the Bay Country Region. In retirement, he lived near Trappe, and he was of great assistance to me in compiling the calendar for inclusion in The Distributor. Bill was known for his pristine 1975 Hurst Oldsmobile Cutlass 4-4-2. Bill left the club because declining health caused him to move to Fallston, to be near his daughter.

He has been missed. Our thoughts are with Norma, their daughter, Michelle, and her family. You can read more about Bill at:

REMEMBERING BILL

I remember Bill as a quiet gentleman who was active in the Club, joining in 1999 and dropping out in 2013, due to health. During that time, he organized some of our overnight and Dust'em Off tours, and worked at our car shows and parts meets.

Bill loved his Oldsmobiles, and he had very nice cars. I remember him telling me that, when he sold his last one, the buyer sent a person to transport the car to him. Well, the guy showed up with an open trailer! Even after having sold the car, Bill thought the car deserved enclosed transportation, so he called the buyer. Much to Bill's displeasure, the buyer said the open trailer was good enough.

Glad to have known you Bill!

THE CHESAPEAKE REGION-AACA VISITS THE SHORE

On July 24th, twenty three members of the Chesapeake Region-AACA came down to Hurlock for lunch at Suicide Bridge. They were met by 8 members of our Club. The lunch was hosted by CRR President, Paula Ruby, who also is a National Director. Our President Caplan greeted the group, and Charles Emery spoke about plans for next year's tour. Walt Trice described the recent immolation of his 1989 Mercedes 560 SEC-AMG. Kim Wright, a restaurant manager, described the history and features of the establishment. Our Club was represented by six cars, one of which, the Emery's 1941 Buick Super Touring sedan, was not in the lineup.

We were happy to have our friends from the Western Shore share the day with us.

THE PRESIDENT'S MESSAGE

Lee Caplan is away. Please look for his message in the next edition.

JOIN US FOR THE 2019 FALL TOUR

Many thanks to member Walt Trice for organizing the Bay Country Region Fall Tour, scheduled for October 8, 2019. We will be visiting the **Air Mobility Command Museum at Dover Air Force Base and the NASCAR Monster at the Dover International Speedway.**

If you intend to join us on October 8 please let us know by responding to me at lcaplan@icloud.com or 919-636-0955.

We will meet at 9:15AM in the Easton Auto Zone parking lot, 815 Dover Rd., Easton, MD 21601. Departure will be at 9:30AM.

Our first stop, at approximately 11:00 AM, will be for lunch at Rudy's Family Restaurant, 17064 S. Dupont Highway, Harrington, Delaware 19952.

Following lunch we will travel to Dover Air Force Base for the tour of The Air Mobility Command Museum, scheduled to begin at 1:00PM. The location is 1301 Heritage Road, Dover AFB, Delaware 19902. The museum highlights historic military aircraft, and aviation history, in general. Our group will receive its own guided tour of the museum, which we expect will include a boarding opportunity of an early version Air Force One, the plane of the Presidents.

We also may take advantage of a photo opportunity in front of the NASCAR Monster at the entrance to the Dover International Speedway.

The tour is planned as a day trip, but some may choose to stay over to visit other museums in the area, including those devoted to local agriculture and Victrola sound reproduction.

Participants may, on their own, take advantage of lodging in the Hotel and Casino at Dover Downs. Anyone wishing to stay there should make arrangements with that facility directly. Rooms are currently available for as low as \$89.00 per night, but the rate varies from day to day and hour to hour. This link will display the current rate for rooms available at the Hotel Casino for October 8:

THE BAY COUNTRY REGION, AACA

The purpose of the club shall be the preservation, use, and enjoyment of self-propelled antique, classic, and special interest vehicles and related parts, materials, and services. The Board of Directors of the Region shall meet on the first Tuesday of each month, unless otherwise specified. Membership meetings are scheduled for the third Wednesday of each month, except July and August. Meeting announcements will be carried each month in the newsletter. Articles for the newsletter are welcomed and members are encouraged to submit news about personal interest items to the editor by the 20th of each month.

ITEMS FOR THE DISTRIBUTOR should be submitted by the 20th of the month. Submissions from members are greatly appreciated. Tell us about, or show us, your cars (and trucks) and what you are doing with them. If you're planning an event, here's the place to describe it.

Electronic submissions are preferred. Having avoided learning how to type all these years, the Editor doesn't want to have to learn now. On the other hand, photos and illustrations can be scanned, with no typing necessary, so send anything that you would like the membership to see.
